*We're a little  
bit of down home in  
a log barn that just  
says, "Come on  
in, neighbor!"  
Our country store  
atmosphere offers a  
variety of items, from  
quilts and candles to  
our gourmet coffees,  
teas, dips and our  
always popular apple  
butter, jams and jellies.*

Relax on our front  
porch rocking chairs  
while listening to local  
story tellers and area  
musicians, or watch  
crafters demonstrating  
their talents throughout  
the season.
