BUNKHOUSE INN ON THE RIVER

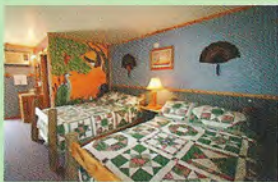

#1 The Bear Den – Perfect for relaxation with an oversized king cedar bed. Cedar furniture and accents add to the atmosphere as your cares slip away and the river outside your door sings you to sleep

#2 The Trout Pool – Enjoy the lodge setting with 2 double beds and a bunk. Comfortably sleeps 5 people. If you love the sport of fishing this is your room. Step out back and fish the little river and compare your catch to the décor.

#3 The Bunkhouse – A family favorite with a Queen bed for adults and a set of bunkbeds for the kids. Hand made pine log furniture and a cowboy flare lends to the old west feel

#4 The Deer Lodge – Step into your log cabin with slate tile floors. Two massive handmade slate pine tree beds offer any hunter a great night sleep. Enjoy the deer accents and warm colors.

#5 Feathered Friends – For the bird lover. This room spotlights our feathered friends and everything we love about them. With two ornate handmade double beds this room will sleep up to four guests. Bird watch from the comfort of any corner

#6 Critter Cove – The twilight setting adds to the romance as the hand-painted fireflies dance on the walls. A stunning Queen Canopy with flickering lanterns is the focal point of this room accented by hand made pine furniture. Perfect for any couple

All rooms offer: microwaves, coffeepots and refrigerators. All six units are designed with a specific individual theme and custom hand-painted murals. Step out the backdoor of all six rooms and sit by the Little River as you enjoy three campfire pits.
