GUIDED TOURS

I grew up in Cades Cove as a 6th generation descendent from the first settlers. My children also were born in Cades Cove and began working in the family business there, Cades Cove Riding Stables, which was started by my father, Hugh Myers, more than 40 years ago.

In 2009, I moved the Cades Cove Riding Stables to Townsend. Townsend is a place rich in natural beauty and history. In a time long before modern conveniences, pioneers worshipped, worked, and raised their families here sharing in each others joys and hardships.

I invite you to visit us at our new location and enjoy what we have to offer you at Cades Cove Stables now in Townsend. As you ride trails to the waterfalls, you'll bear witness to the history and beauty of this special place.
